

Workshop on Operationalizing GO-NGO Protocol for Emergency Management in Assam

Assam State Disaster Management Authority and Centre for Development and Disaster Management Support services (CDDMASS) has conducted the Stakeholders Consultation Workshop on Operationalizing GO-NGO Protocol for Emergency Management in Assam which was held on 8th March, 2016 at NEDFI House, Guwahati. The Workshop highlights the main roles of the NGOs as well as the Authority (both ASDMA and DDMA) in respect of each key area of action.

The Workshop was chaired by the Shri. Deepak Sharma, Chief Executive Officer of Assam State Disaster Management Authority. Prof Vinod Menon, Ex NDMA member, Shri Bhaskar Baruah (Retd IAS), Former Secretary, Government of India and Mr. NM Prusty, Director, Centre for Development and Disaster Management Support services (CDDMASS) also graced the occasion and gave their valuable input in the workshop.

Over 60 participants from various NGOs, government officials and officers of ASDMA were present at the workshop.
