

ASDMA Foundation day celebration

Assam State Disaster management Authority was constituted on 23rd March 2007. It has become fully functional in the year 2010. Hence, **23rd March** has been observed at the **ASDMA Foundation Day**. In 2016, ASDMA celebrated the day with Knowledge Sharing Workshop.

ASDMA Foundation day celebration was celebrated on 22nd March 2016 through a Knowledge Sharing Workshop

Knowledge sharing enables us to find relevant information & expertise and that can aid into decision-making & problem solving. The tacit knowledge that resides in the minds of individuals, in their skills, experiences; value judgments are important source of ideas that can bring effective solutions to critical problems. It is more crucial in the field of Disaster Management. Hence, ASDMA felt it would be apt to observe the **ASDMA Foundation day with 2 hours long Knowledge Sharing Workshop**. The workshop was delivered by **Sandeep Donald Shah**, Country Manager, Miyamoto International who has 5 years of international experience in structural engineering and well known for the design of high-rise buildings Resource persons/experts in the field of Disaster management and Prof. Chandan Mahanta, Dept of Civil Engineering, IIT, Guwahati who shared their knowledge and experiences with the participants. The workshop was attended by stake holders, officials of ASDMA from state and district headquarters.
